

# 24 GIFTS FOR NATURE

## WALL PLANNER

- Help sort the recycling into the right piles
- Create Green teams
- Take part in the STEM challenge
- No waste lunch! Take a lunch to school with zero packaging
- Make a Christmas decoration for your class out of recycled material
- Start a compost bin at home
- Make egg carton animals and watch a Whale's Tale
- Setup a rainwater collection container for your garden for watering plants
- Repurpose a plastic bottle into an ecosystem
- Take part in a classroom audit
- Make a bird feeder
- Collect 5 pieces of rubbish on a trip outside and put them in the bin
- Draw a poster of an endangered marine animal you want to raise awareness of
- Get a classroom plant
- Make some paper
- Turn old markers into watercolours
- Bike, scooter, walk or carpool to school
- Find a way to make a carry bag out of an old t- shirt
- Keeping our oceans clean
- Ways to conserve water
- Have a paper free day
- "Things we can do to help Our World"
- Become Mini Researchers
- Make a video about what you learnt doing the 24 gifts for nature

WELL DONE!  
THANKS FOR THINKING OF NATURE :)

Please remember to have your entries in by **27th November.**
